Max Vet Strength Anal Gland Spray

Glandex® Max Vet Strength Anal Gland Spray delivers rapid onset support with **dual-action pain relief and inflammation control** for perianal discomfort in dogs and cats.

3% Lidocaine anesthetic, providing rapid onset of numbing relief

1% Hydrocortisone reduces inflammation and itching

Chamomile, Oat Extract, Vitamin E, & Lanolin soothe, nourish, and restore the skin barrier

Product Highlights

- ✓ Rapid onset pain relief within 30–60 seconds
- ✓ Dual-action formula: Combines Lidocaine & Hydrocortisone for pain and inflammation control
- ✓ Botanical support: Chamomile, Oat Extract, Vitamin E, & Lanolin soothe and restore
- ✓ Gentle & safe: Alcohol-free, non-stinging, paraben-free; safe for dogs & cats

Inactive Ingredients: Glycerin, Propylene Glycol, Polysorbate 20, Purified Water, PEG-75 Lanolin, Odor Absorber, Fragrance, Benzyl Alcohol, Potassium Sorbate, Sodium Benzoate, Citric Acid

Indications for Use

For dogs and cats as part of in-clinic expression protocols or for ongoing symptomatic relief at home:

- ✓ Perianal inflammation and irritation
- ✓ Acute pain associated with anal gland irritation
- ✓ Pre/post expression comfort
- ✓ Supportive care for sensitive perianal tissue

Directions for Use

Use on dry skin. Spray directly on affected anal area. Massage liquid into skin until absorbed. Wash hands after use. Use no more than 4 times a day, or as directed by a veterinarian. Prevent licking until dry.
